

# Zirkona

## Maximum Payload Capacity

ITEM NO.	DESCRIPTION	VIBRATION ENVIRONMENT	STATIC ENVIRONMENT
<b>7110-1234</b>	Small Joiner	Holds up to 3 lbs / 1.4 kg	Holds up to 22 lbs / 10 kg
<b>7110-1235</b>	Medium Joiner	Holds up to 6 lbs / 2.8 kg	Holds up to 33 lbs / 15kg
<b>7110-1236</b>	Large Joiner	Holds up to 11 lbs / 5.0 kg	Holds up to 55 lbs / 25 kg

Warning: Extension tube will lower the overall payload rating of the joiner. The longer the extension, the lower the overall rating for the joiner.

Lower the maximum payload by 20% for every 2" (50mm) of extension tube.  
Example: 6" (150mm) extension = reduce maximum payload by 60%

Note: Neither the 12" (300mm) tube nor the small joiner should be used for mounting TV screens.

**Zirkona is a mounting solution that gives you more maximum flexibility and durability.**
