Installation Manual Double DIN Kit

1. „Audi Navigation Plus“ OEM head unit

2. Use 4 radio release keys to dismount the OEM radio.

3. Remove the OEM radio.

4. Push the metal frame into the fascia plate
Place it on the dashboard. Press the fascia plate, until it snaps in.

Mount the metal brackets with the double DIN head unit

The position of the copper coloured holder can be adjusted to your needs for perfect fit. (see sample)

5. Connect alle required circuit points and push the double DIN head unit until it snaps in.
Place the trim frame to finish installation.
